You will have to create an account. When the page loads it will show Light for the Lost. There will be a red check beside those words, click on the check and a drop down will appear. If you are giving to only one of the departments or to the general fund you will use this. If you desire to give to multiple funds, click on the red words below Light for the Lost and the funds will start appearing. You will have to click on the Donate to Multiple Causes to get the funds to continue to get the one you wish to give. All of our departments are listed. When finished, at the bottom of the page will be a red banner with Confirm Donation, click this and you will be set. Thank you for giving to First Assembly.
